Peace You Bought

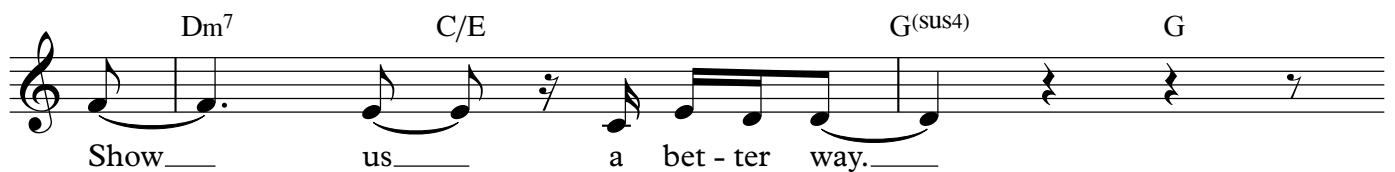

Diana Trout, Hannah Niesley

Verse 1

When there's anger in the atmosphere around us
When the poison of resentment fills our veins
When we'd rather burn our bridges down than mend them
Show us a better way
Show us the better way

Chorus 1

You laid down your crown and you took up the cross
Surrendered to love unafraid of the cost
You showed us the path and we're choosing to walk
In the way of the peace you bought

Verse 2

When our hands are grasping desperate for protection
And we're too afraid to lay our weapons down
When we'd rather run alone than walk together
Show us a better way
Show us the better way

Chorus 2

Bridge

We will kneel at the foot of our neighbor
We will rise at the call to reconcile
We will tear down all the walls we've built between us
Till we're one in Christ
